

March 26, 2025

play for life

Greetings,

We are pleased to announce that [exhibitor registration is now open](#) for Bend Park & Recreation's annual ***For the Health of It!*** Health & Wellness Fair on **Tuesday, June 10, 2025** from 12:00-3:00 pm.

We invite senior service providers, health and wellness practitioners, fitness experts, nutritional counselors, medical professionals, and other appropriate entities to participate in this event held on the outdoor lawn area of Larkspur Community Center, home of the Bend Senior Center. Last year we hosted over 500 attendees, and this year we expect as just many if not more!

This is a great opportunity to market your organization to one of the fastest growing populations in our area; older adults. The event will feature a free community lunch, local service providers, fitness demonstrations, food tasting, health screenings, nutritional supplement samples and demonstrations as well as an opportunity for attendees to interact with the vendors. **We are particularly interested in organizations that can provide any of the following services at the event:**

- Health Screenings
- Diabetes Testing
- Glaucoma & Visual Acuity Testing
- Bone Density Screening
- Hand Grip-Strength Testing
- Balance Testing
- Hearing Testing
- Height & Weight
- Blood Pressure Checks
- Spinal Muscle Tension
- Healthy Food Demonstrations
- Mini-Therapeutic Shoulder Massages
- Dental Screenings

Space will be allocated on a first-come, first-served basis. In order to balance out offerings and provide the best event possible for our community, this year we may need to limit the number of providers in any one service area (ex: hospice, home health, physical therapy, nutrition, etc.). Please make sure to indicate your service area(s) when applying, and we will do our best to accommodate you.

The cost for exhibit space this year is \$75 for 501(c)(3) non-profits and \$125 for private or commercial enterprises. We have a limited number of tables available to rent for an additional \$10. We strongly encourage exhibitors to bring a pop up canopy as weather can shift and the day can get quite sunny and hot.

This year we have a new, online system for applicants. Please fill out all the fields and then Proceed to Checkout (you will need to enter billing information even though you will not be charged at this stage). Once you submit your application, you will hear back from us within a week or so to confirm your registration and collect your payment. **Note: Your space is NOT confirmed until you hear from us and we complete your payment!**

We look forward to having you participate in our event. Please feel free to contact me if you have any questions.

Sincerely,

Leigh Lehman
Enrichment and Senior Services Supervisor

Health & Wellness Fair

2025 Exhibitor Information

Booth Space

- The venue will be outdoors around the lawn area behind Larkspur Community Center.
- Tables are available to rent for an additional \$10.
- We encourage exhibitors to bring a pop up canopy to set up on the grass in the park. Most vendor tables will be placed on the grass.
- Space must be paid in full prior to the event. Your space is not guaranteed until we receive payment and send you confirmation. We accept cash, check or VISA/MasterCard.
- If you require electricity please let us know prior to the event. We have limited hook-ups available for an additional \$10.

Booth Location

- Booth location is assigned by Bend Parks And Recreation based on timing of registration, physical requirements, and type of services/information provided (for example, we don't want all vendors of a similar type right next to each other). We will make every effort to be equitable and fair with booth placements.

Set-up Time

- Set up may begin at 9:30 am the day of the event.
- Booths must be set up by 11:30 am.
- Event hours: 12:00 pm - 3:00 pm. Booths must remain set up for the event's entirety.
- Lunch served 12:00 - 2:00 pm

**The *For the Health of It!* Health & Wellness Fair
is a good opportunity to...**

- Increase health consciousness by providing a variety of screenings.
- Provide exposure of local health & wellness services and resources.
- Motivate participants to make healthy lifestyle changes.
- Teach self-care practices.
- Promote your health and wellness business.
